

# Creative Home Learning Ideas

## Gods and Mortals

Below are some ideas based around our new topic. Please read the ideas to your child and let them choose which activities they would like to complete at home with you or on their own.

- Can you use the Greek alphabet to create your own code for a friend to break.
- Design a headdress for a Greek God or Goddess.
- Create your own labyrinth.
- Design and build a Greek temple.
- Create an animation flipbook on a Greek myth.
- Taste some traditional Greek dishes such as moussaka, figs, goat's cheese or taramasalata. Write a food review, describing what you have eaten.
- Make a mask of a mythical creature.
- Research an Olympic sport and take a picture of yourself having a go.
- If you are inspired to be creative in a different way, we would love to see what you come up with!

Have fun and send a Class Dojo to any of the Year 3 Team with any photos of your learning, or if you have any queries regarding home learning activities.

Please continue to read at home with your child as much as possible (at least 3 times per week) and log it on Boom Reader. Please ask them questions about what they have read to help develop their comprehension and understanding.

From the Year 3 team.
