# Year 4 Learning Leaflet

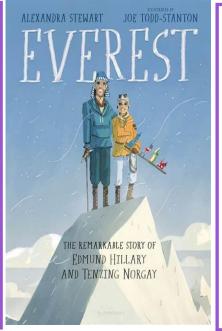

# <u>Topic</u>

Geography – We will explore the locations of the famous mountain ranges of the world. We will also look at the features and formations of mountains. In addition, we will be studying OS maps from the local area and using our coordinates work in maths to help us with reading the maps and directing ourselves.

**PSHE** – Being my Best

#### Outdoor Adventurous Activities –

We will be collecting data and sound mapping our area as a continuation of last half term's activities.

## **Misty Mountains**

We'll be hooking the children into the topic by talking about how we become a mountaineer.

We'll be looking at links between tectonic plates and mountain formations as well as learning about other geographical features of mountains.

We'll be using grid references and coordinates to read ordinance survey maps from the local area.

### **English**

Our first text this half-term will be Everest by Alexandra Stewart

Throughout this unit, we will be creating lots of miniature writing opportunities surrounding the concept of climbing the mountain and the experiences of a being a mountaineer.

### **Maths**

This half term we will be learning how to plot coordinates on a grid and learning about money, calculating, comparing and estimating with it.

Silsden Primary School

#### Don't forget!

- •Times Table Rock Stars and Spelling Shed These logins have been sent home.
- Regular Reading— Please ensure reads are recorded on the Boom Reader app.
- •Creative Homework Tasks—Please bring these in as soon as they have been completed, as it is amazing to see the children's hard work and be able to display these in school.

**RE** -. How do the lives of Gurus inspire Sikh Believers

French and Computing - Delivered by Junior Jam.

# <u>Science</u>

This half term the children will be learning about the environment. We will be looking at key questions such as 'How does litter decompose?' and 'What are microplastics?'

#### PE

4T will be swimming this half term.

4A, 4H and 4T will be learning fitness (outdoor) and climbing (indoor).
