Year Two Saltaire Visit

Dear Parent/Carer,

Our topic for the next half term of Year 2 is 'The man with the magic glasses' where we will explore the life of David Hockney and history of Saltaire. To help support the children's learning, we are organizing a trip to Saltaire village.

This trip will be taking place on **Saturday 8th November 2025**. Parents will also need to attend with their child. We will be meeting in Salts Mill car park at 10am. We will then provide you with a map and a scavenger hunt list of places you and your child need to find. These will all enhance and contribute to your child getting a thorough understanding of the topic.

We will then go to Roberts Park where we can all have a picnic, a play on the equipment and a few games of football. At around 1pm the year 2 staff will then depart but you are more than welcome to stay for longer.

You will have to make your own way to and from Saltaire as well as providing your own packed lunch for the picnic.

We hope you are able to join the Year 2 teachers for this fun day out!

Kind regards,

Miss Johnson, Miss Nicholson and Mrs Kirkby
