

**Silsden Primary
School**

Thursday 13th November 2025

Dear Parents and Carers,

Introduction to Special Educational Needs and Disabilities (SEND) at Silsden Primary School

We would like to invite you to a **Special Educational Needs (SEN) Information Session** on Friday 28th November at 9am OR Monday 1st December at 6pm.

This is an **information** session designed to help parents and carers understand how we identify and support children with Special Educational Needs and Disabilities (SEND) at Silsden Primary School.

It will also be an opportunity to meet Mrs O'Hara and Miss Gregson the SENDCO's and Mrs Hodgson (Welfare Inclusion Co-ordinator) and learn more about the range of provision and support available within our school.

During the session, we will cover:

- How we identify and assess children with SEND
- The processes we follow to ensure every child receives the right support
- The different types of provision available in school
- How we work in partnership with outside agencies
- What an Education, Health and Care Plan (EHCP) is and the application process
- What more we can do to help you and your child

There will also be time for questions and informal discussion at the end of the session and time to chat with other parents of children with SEN needs.

If you feel that you need to know about SEN in school, we will look forward to seeing you for an informative and supportive event.

Please let us know if you would like to attend and which session you will be attending by completing the form on Arbor, so we can plan seating and refreshments.

We look forward to seeing you there.

Kind Regards

Mrs O'Hara, Miss Gregson and Mrs Hodgson
