It has been brought to our attention that some pupils are exiting school, down the main drive. This is not a pedestrian exit, as there is no pavement down the entire route. To gain access to Middleway, pedestrians should exit school via the gate to the playing field and down the snicket. If your child walks home this route, please can you remind them of the safest route.

## Year 3 Specific Messages

**PE DAYS - HOLST** (Tuesday - Indoor/Wednesday - Outdoor) **ELGAR** (Tuesday - Indoor/Wednesday - Outdoor) **LLOYD-WEBBER** (Tuesday - Indoor/Thursday - Outdoor) **OUTDOOR LEARNING** - Please bring wellies/walking boots in a carrier bag and a warm, waterproof coat.

**WATER BOTTLES** - Some children aren't bringing water bottles into school. Whilst we do have some cups available in classrooms, it isn't hygienic for children to be drinking out of cups that other children have used.

**COATS** - It is still Winter and some children aren't bringing coats or are bringing coats but with no hoods. Please can we ask that children bring coats with hoods and especially warm waterproof ones.

**INCOMPLETED HOMEWORK** - We've noticed a vast majority of children who are not bringing homework books in on time or at all and a lot of children who aren't completing homework. It's a 15-minute task and it's to help your child in their education. We'd greatly appreciate you taking the time to complete this with them.

**READING RECORDS** - Please could children bring their reading records in every Friday for reviewing. Children who've read three times or more will get a house point!

**JUNIOR DUKES** - Don't forget about Junior Dukes! We haven't seen many booklets in since they went out. We really appreciate you taking the time to read these key reminders.

## Year 2 Specific Messages

On Tuesday 27th January we are hosting two meetings in the Year 2 classrooms to talk about how you can support your children at home for reading, writing and maths. The meetings will be at 3:40pm and 5pm. These meetings will be beneficial for your child's development in all of these areas. It would be great to see as many of you there as possible! In maths this week we are continuing our unit on money. We are focusing on comparing amounts of money and calculating with money. To support your child's learning at home ask them to create amounts using a range of coins and notes. See if you can make it into a game!

## Year 1 Specific Messages

Spare Clothes- Please can all spare clothes be returned to school. We are running extremely low and we had stocked up last half term. If anyone has any spare leggings, shorts or trousers to donate, we would be extremely grateful.

## Reception Specific Messages

**EYFS Outdoor Area Donations** We are looking to enhance our EYFS outdoor learning area and would be very grateful for donations of items such as milk crates, blankets, tarpaulins, or similar resources. These help to support imaginative play and outdoor learning. Please ensure items are clean and safe. Thank you for your continued support.
