Statement of intent

Silsden Primary School recognises that its premises are valuable to the local community and as such, we are pleased to let the premises out to local organisations.

Though we let the premises out, the school is aware that this can pose certain concerns, such as in terms of safeguarding, so this policy is to be distributed to all organisations that wish to let the premises and the conditions outlined within it must be followed at all times.

There is also important information that this policy communicates to organisations who let the premises from the school, such as health and safety matters and insurance arrangements.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- The School Premises (England) Regulations 2012
- Health and Safety at Work etc. Act 1974
- The Health and Safety (First-Aid) Regulations 1981
- The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 (RIDDOR)
- Counter Terrorism and Security Act 2015

This policy operates in conjunction with the following school policies:

- First Aid Policy
- Health and Safety Policy
- Premises Management Policy
- Health and Safety Policy
- Child Protection and Safeguarding Policy
- Letting School Premises Risk Assessment
- Surveillance and CCTV Policy
- Manual Handling Policy
- Data Protection Policy

2. Definitions

For the purpose of this policy, a "**letting**" is defined as any use of the premises by either a community group, e.g. a football club, or a commercial organisation.

The school will let out its premises; however, the letting arrangement will not interfere with the primary activity of the school, which is to provide a high-quality education and safe teaching environment.

Use of the premises for activities such as staff meetings, parents' meetings, governing board meetings, out of school hours learning support activities or any other extended services which support the raising of attainment and achievement, fall within the corporate life of the school. Costs arising from these uses are, therefore, a legitimate charge against the school's delegated budget.

When letting to commercial businesses, the school will first seek the permission of their LA. Depending on certain conditions, the LA may recommend the school inform the DfE of the

letting, e.g. if the letting was during school time. The contact information for the DfE is: schoolsassessments.capital@education.gov.uk.

3. Roles and responsibilities

The governing board will be responsible for:

- Reviewing the applications of a proposed letting arrangement and conducting a risk assessment to determine whether the arrangement would pose a risk to the primary activities of the school and its pupils.
- Contacting the LA and the DfE.
- Contacting a legal expert with regards to transactions, for specialised guidance.
- Ensuring any safeguarding risks associated with the letting are identified and addressed.
- The overall oversight of the letting, handling any queries from the hirer.

- Agreeing fair prices for the use of the premises; these will reflect the condition of the facilities but remain competitive enough to be accessible to the wider community.
- Working with the headteacher to ensure all relevant policies and procedures are implemented and made available to hirers.

The headteacher will be responsible for:

- Ensuring compliance with the premises licence.
- Acting as or appointing a designated premises supervisor.

- Ensuring that the school has the correct insurance in place for hiring out the premises.
- Checking the hirer has the appropriate public liability insurance.
- Working with the site manager to ensure the premises are fit for use.
- Ensuring hirers familiarise themselves with the relevant school policies and procedures, e.g. the Fire Safety Policy, health and safety policy etc.
- Ensuring the school adheres to its Premises Management Policy.
- Reviewing and, where necessary, amending the school's Letting Premises Risk Assessment to help ensure the safety of the hirer and their visitors.
- Reviewing the relevant safeguarding checks carried out by the hirer to ensure they comply with the school's policies.

The Estates Manager will be responsible for:

- Ensuring the facilities and equipment requested are clean and in a good working condition for each hirer.
- Working with the hirers to ensure high levels of security are maintained.
- Showing the hirers how to properly secure the premises when in use.
- Organising any repairs and/or replacement of equipment.

- Ensuring that the school's Privacy Notice for Third Parties is kept up-to-date, and that it is published on the school's website.
- Ensuring that the hirer's information is stored in accordance with the Data Protection Policy.

Hirers will be responsible for:

- Ensuring the proper use of the facilities and equipment they have requested to use.
- Taking the necessary steps to ensure there is no damage to any equipment or furniture, or the building itself after use.
- Ensuring all related visitors and volunteers have signed in during their period of hire.
- Leaving the premises in a clean and tidy condition.
- Working with the Premises manager to ensure that the premises are secure after use.
- Obtaining adequate public liability insurance to a minimum of £10 million.
- Providing the headteacher with proof that they hold a current and relevant insurance policy.
- Obtaining all necessary safeguarding checks for all activities involving children, e.g. DBS checks, and providing proof of this to the headteacher.
- Reading the school's safeguarding policies and procedures and ensuring they understand the rules and procedures detailed within.
- Informing the governing board of the activities that will be undertaken on the premises.
- Adhering to the school's Letting School Premises Risk Assessment.
- Providing a qualified first aider on site to manage any accidents / incidents

4. Charges

The governing board will be responsible for determining charges for the letting of the school premises – a charge may be imposed to cover the following:

- Costs of services (e.g. heating and lighting)
- Costs of staffing, including "on-costs" (e.g. additional security or caretaking)
- Costs of administration
- Costs of wear and tear
- Costs of insurance (if the school has arranged its own public liability insurance – see the hire terms and conditions)
- Costs of using the school's equipment, if applicable
- Profit element, if applicable

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the hirers involved.

The charge issued for each letting will be reviewed annually by the governing board.

The review of charges will take place in the Spring Term 2027, for implementation in the beginning of the next academic year, taking effect from 1 September 2026 .

Current charges will be provided to the governing board in advance of any lettings being arranged.

A charging tariff may be established to ensure that access is affordable for particular individuals and groups.

The school requires a 50% deposit of the overall fee to be paid to the school to secure a booking.

The remaining amount will be paid to the school on or before the requested booking date.

Hirers will provide the school with at least ten days' notice before cancelling a booking for a full refund.

If hirers fail to provide sufficient notice, the school will keep the hirers deposit.

If the whole fee has not been paid, the school reserves the right to refuse the hirer entry to the premises.

In the event any fees are outstanding after the hirer has used the premises, their organisation will be barred from using the school facilities until the full amount has been paid.

There will be a grace period of 30 days for payment to be made, after this period, if a payment hasn't been made, the school will seek additional legal advice for payment to be recovered.

5. Managing lettings

The governing board will have overall responsibility for the management of lettings.

The headteacher will be delegated the day-to-day management of the lettings; however, they will not be responsible for the administrative roles, such as setting charges, this role stays with the governing board.

The headteacher may delegate aspects of the management of lettings to other relevant members of staff, such as the Premises manager.

If the headteacher has any concerns regarding the activities the hirers are conducting, they will consult the governing board and reach a decision together.

Organisations wishing to hire the premises will approach the headteacher, who will identify their requirements and clarify the facilities available.

The governing board will review the application; they have the right to refuse an application and interested parties should be advised that no letting should be regarded as "booked" until approval has been given in writing.

Once the letting has been approved by the governing board, a letter of confirmation will be sent to the hirer, setting out the full details of the letting and enclosing the terms and conditions of the hire agreement.

The hirer will be invoiced for the cost of the letting as appropriate in accordance with the governing board's charges decision.

The hirer will be a named individual and the agreement should be in their name, giving their permanent private address.

All lettings fees that are received by the school will be paid into the school's bank account, to offset the costs of services, staffing etc. (which are funded from the school's delegated budget).

Fees can be paid by cheque or bank transfer. The hirer will state how they intend to pay in their application form.

The Finance Officer will provide the hirer with the relevant bank details.

Sub-letting of any kind is strictly prohibited. If the school receives any evidence pertaining to plans to sub-let, all bookings that the hirer has made will be cancelled.

6. Insurance

The public liability insurance provided by the Council already insures schools against claims for injury or damage to members of the public that may arise due to negligence.

All organisations wishing to use school premises should have their own public liability insurance to cover them for any services and activities they provide, and must have their own employers' liability insurance if employing staff or volunteers. The original insurance document should be seen and a copy taken by the school and kept on file.

7. Safeguarding

The school will ensure that appropriate safeguarding arrangements are in place when letting school premises of facilities that involve work with children. Organisations submitting a lettings request involving working with children and/or young people will submit a signed copy of their current safeguarding policy.

Where the hiring of school premises or facilities for work with children, regardless of whether the children are on the school roll, is directly supervised or managed by school staff, the hirer will abide by the school's safeguarding arrangements. Where the services are provided separately by another body, the school will seek assurance that the body concerned has the appropriate safeguarding procedures in place. The school will inspect the provider's safeguarding policy prior to the commencement of the letting.

The school will ensure that safeguarding requirements are communicated with the hirer prior to the letting. This will be included [in the school's hire agreement document](#).

Failure to comply with the school's safeguarding conditions will lead to the termination of the hire agreement.

All hirers will state the purpose of the hire.

Each application will be vetted by the DSL and any concerns will be reported to the governing board prior to approval.

The Hirer shall ensure that a sufficient number of staff are engaged during the hiring (either paid or voluntary) and such staff shall include appropriate leadership. All staff shall have been appropriately trained and, where required, satisfactorily passed child protection checks. DfE ratios must be adhered to when supervising children.

When determining whether to approve an application, the governing board will consider the following factors:

- The type of activity
- Possible interferences with school activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The school's duties with regards to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the school

An application will not be approved if the hirer's purpose:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the trust, balanced or outweighed by freedom of expression of artistic merit).

If any members of staff have concerns regarding the purposes for which the hirer is using the facilities, they will contact the headteacher immediately.

The headteacher will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual group is found to be promoting views in contravention of the school's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, the school will contact the police or school security who will remove the person or group from the school premises.

All hirers will read and review the school's Child Protection and Safeguarding Policy.

8. Emergencies and health and safety

The Premises manager and headteacher will undertake relevant risk assessments before activities are carried out on the premises to ensure the safety of the hirer and any additional visitors.

The use of public announcement systems and loudspeakers must be agreed with the headteacher and site manager, this agreement must include a maximum noise level which is not to be exceeded.

The school's car park is available to hirers during their time on the premises; however, the governing board and school will not accept responsibility for any loss, damage or accident that may occur whilst the car park is in use.

Hirers will only use the car parking spaces allocated and, should any additional spaces be required, the Estates Manager will find suitable spaces on the school grounds.

Alcohol will not be brought onto, or consumed on, the premises unless the school holds a licence to sell alcohol and this has been agreed in writing with the headteacher.

10. Equipment

Hirers will identify any equipment they require from the school and detail this in their application form; hirers must seek permission from the governing board to use any additional equipment once the form has been submitted.

The Estates Manager will conduct an inventory of all the equipment that the hirer requests, noting its condition. The Premises manager will review this inventory after the hirer uses the equipment to ensure its proper use.

Furniture and fittings will not be removed or interfered with in any way unless permission has been granted by the site manager or headteacher. Where permission has been granted, the site manager will oversee the move.

If a furniture move has been agreed, the hirer and Premises manager will negotiate restoring the premises back to its original state.

Any damage to equipment, furniture or the building will result in the hirer being charged the cost of any repairs or replacements.

Any seating provided is limited to the number of chairs on the premises and the approved capacity of the room.

Hirers are allowed to bring their own equipment on to the premises; however, they will be required to acknowledge this in their application form.

The hirer will ensure that any equipment that they provide meets the relevant health and safety standards.

The school cannot be considered responsible if any of the hirer's equipment is damaged, stolen or lost whilst being used on the premises.

CCTV systems will be used to monitor events and identify incidents taking place while the premises are in use, in accordance with the school's Surveillance and CCTV Policy.

Hirers will report any stolen or missing equipment to the site manager immediately.

Food and drink may be prepared on the premises; however, hirers must seek direct permission from the head teacher.

The hirer will prepare food and drink in line with current food and hygiene regulations.

The Head teacher has delegated authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure.

Hirers are responsible for ensuring external doors are secured when not in use and monitored when there is a need for them to be left open.
