13th May 2025

Real-life Superhero Event

Dear Parents/Carers,

We are on the lookout for some real-life superheroes. To inspire the children during our Superhero topic, we would like to showcase all the different real-life superhero careers the children could aim for. For this we need your help. On **Wednesday 24th June 2026 at 9am-11am** we will be holding a superhero career fair for Year 1 and it would be fantastic if parents from across the school could volunteer to help us. This would include setting up a small stall for your career and being available at the event to answer the children's questions. We are looking for roles such as:

- Nurse/ Paramedic/Midwife/Doctor
- Dentist
- Mechanic
- Builder
- Postal worker
- Bus driver
- Librarian
- Farmer
- Vet
- Refuse Collector
- Police Officer
- Mountain rescuer
- Life Guard
- Fire fighter
- Scientist
- Army/Navy/RAF

This is not a limited list and if you feel you could offer an additional real-life superhero career then we welcome you too. If you are interested in volunteering your time or would like additional information please contact a member of the Year 1 Team via office@silsden.bradford.sch.uk.

Thank you for your support.

Kind regards,
The Year 1 Team
