## Year 3 Specific Messages

A BIG THANK YOU - We just wanted to say a huge thank you to all of the parents who have helped their children to learn their lines and practice the songs over the last few weeks. Also, a huge thank you for organising them with costumes - they all looked fantastic in the performance.

STICK HUNTING - We would like each child to bring in 4 sticks that they have found approximately 30cm or less (not twigs). Nice, clean, straight sticks that we can make looms from in outdoor learning.

READING CLUB - The children who have been attending the reading club on Monday and Tuesday mornings at 8:15 have finished their reading club programme. Due to poor attendance, WE WILL NOT BE CONTINUING the reading club from W/C 15.6.26. Apologies for any inconvenience, this involved a lot of planning and additional work for us, unfortunately the very poor turnout and low interest in other children wanting to partake means we will not be continuing with this.

MATHS - We have been learning about time. This is something that we have really struggled with. Children should know the one-minute intervals of the clock by learning o'clock, quarter past, half past, quarter to, then five-minute intervals (past and to) and then individual minutes. In a few weeks, we'll be moving onto money. This is something else children struggle with. If you could give them a helping hand at home, this would be greatly appreciated.

## Year 2 Specific Messages

We had the best time at the beach this week! The children thoroughly enjoyed playing in the sand with all of their buckets and spades. Huge thank you again to all of the parent volunteers and staff who came with us!

Next week we have outdoor learning on Tuesday. Please can all children come to school with their coats and wellies. Please can all children bring in a sock for outdoor learning. The sock will not be returned so please send an old one - It can be any size or colour. Thank you!
