### Whole School Messages

**ROCKSTEADY NEWS** - There will be no Rocksteady lessons next Tuesday 30<sup>th</sup> June, due to our whole school transition day

### Year 6 Specific Messages

Please see the key dates section on this newsletter for upcoming events in Year 6.

### Year 5 Specific Messages

In readiness to our Y6 Residential trip to PGL Winmarleigh Hall in October, please find attached the suggested kit list. This gives you an idea of what will be required in October.

[Kit list for Winmarleigh Residential](#)

### Year 4 Specific Messages

Good morning, we hope your children enjoyed the residential last week and that they have told you all about the exciting activities they took part in. On the last day, we collected a lot of lost property so we will be laying it out on the playground this week for you. Please take a look and take anything that belongs to you. Thank you.

We are not handing out homework so we would like your child to use this time to complete some of the Junior Dukes tasks as the deadline for completion is Friday 10th July.

Next week, in our PSHE lesson, we will begin to teach the children about puberty. The Learning Outcomes for this week's lesson are: - Identify parts of the body that males and females have in common and those that are different; - Know the correct terminology for their genitalia; - Understand and explain why puberty happens.

### Year 3 Specific Messages

Please can all parents be aware that we have a case of threadworm in Year 3, which can be spread easily between children. Please click on the link to access the NHS website for full details of signs, symptoms and treatment. If your child has threadworm, there is no need to stay off school however we do ask that you treat your child, in line with guidance. Please could you ensure Thank you
