

**Silsden Primary
School**

23/09/2026

Dear Parents,

As you are aware, we made a decision two years ago to take responsibility for the school catering. Doing this has enabled us to develop our food options for children and ensure that we give them better quality and quantity of food at meal time. It has also enabled us to give parents best value by keeping costs low and source our food from where ever we like - including local suppliers.

I am sure that many of you have sampled some of the food that is created by Tracy and her team at parents evening throughout the year. It really is excellent.

To give your children the chance to experience some of our school meals, we will be hosting "**Free Food Friday**" on the last Friday of each half term. This will give **ANY** parents wanting their children to have a school dinner on this day, including those who already have a school dinner, the option to do so **FOR FREE!!!**

At the end of the Christmas half term there will not be a "Free Food Friday", as we will be offering a free Christmas dinner for all children again on our Christmas Dinner Day.

If your child would like a free meal on **Friday 23rd October**, please place your order through the **School Shop in Arbor**. Simply go to **Quick Actions**, please only select one option. Online ordering will close at 3.30pm on Thursday 22nd October.

Please note: **If you have already ordered your meal through the usual method, you will still need to place your order again through the School Shop to ensure there is no charge.** The menu is exactly the same.

I hope that parents make the most of this opportunity! If you have any questions regarding the ordering of the meal, please contact the school office.

Kind regards

Mr K.S. Russell
Headteacher
