

Year 2 residential – The Deep

Dear Parents/Guardians,

After a very successful trip last year, we will be returning to The Deep in Hull for an exciting overnight stay in March 2027. As The Deep is a conservation museum that looks after a variety of different animals that live all over the world, this visit will link to our Spring topics of 'Around the World in 29 Days' and 'Into the Deep'

Once the Aquarium is closed to the general public, we will have the unique opportunity to observe animals such as stingrays, sharks, and octopuses up close. They will then do an activity with museum staff, before having tea, which will be provided by The Deep. No one will need to provide a pack lunch. Another activity will follow before finally getting ready for bed and sleeping overnight!

The following morning, the children will return to school at 10:00am. This year we are asking parents to collect their child when we return at 12:00, simply because the children were so tired and they found the afternoon hard work – all they wanted to do was go home!

This residential, will be a wonderful bespoke trip that will encourage independence, resilience confidence and fun!

Please visit The Deeps website to find out more information and have a look at their facilities.

Important Details

Date: 23rd March 2027

Price: £90 to include 1-night accommodation, all food, a full programme of activities with qualified instructors and transport.

Deposit: £35, non-refundable, deposit to secure a place paid by Monday 16th November 2026. Then the remaining **£55** must be paid **before or by Wednesday 6th January 2027**. Please contact the office if you have any difficulty with these payments.

Below is a Kit List provided by The Deep. If your child hasn't got a sleeping bag, they could always add one to their Christmas list?

Kit List

Children to come to school in PE kit.

Overnight Bag (small enough for child to carry):

Sleeping bag	Wash bag and kit
Sleeping mat	Clean clothes for the next day
Pillow	(this can be non-uniform)
Pyjamas	Teddy bear

“First-hand experiences of learning outside the classroom can help to make subjects more vivid and interesting for pupils and enhance their understanding. It can also contribute significantly to pupils’ personal, social and emotional development.” Ofsted

Residential visits, organised by the school, form part of the National Curriculum. We would strongly recommend that all parents, make every effort to send their children. These experiences live long in the memory. I am sure that parents will recall their own such experiences from when they were at school.

There will be a meeting for parents in January, before the visit takes place. In this meeting we will go through the activities and answer all your questions because we appreciate you may be anxious about your child staying away from home.

Payment and consent for the trip can be made in the trips section of Arbor.

More details about the trip will follow, nearer the time. If you have any questions regarding the visit, please contact Mrs Nixon.

Kind regards,

The Year 2 Team
