Tremors

TREMORS

Our topic this half term is 'Tremors' and we can't wait to get immersed into all kinds of natural disasters.

Through this topic we will be learning about:

- Mountain Ranges and How they're Formed
- Volcanoes and What Causes Volcanic Activity to Occur
- Earthquakes in Relation to Key Vocabulary such as; Richter Scale and Seismograph

English

This half term we will be exploring two texts 'Everest' and 'Escape from Pompeii.'.

We will be writing our own survival guide for a mountaineer in addition to another exciting writing opportunity.

Maths

This half term we will be focusing our unit on looking at addition and subtraction, and beginning to focus on multiplication and division.

Young Minds, Free Spirit, Great Future

Silsden Primary School

Don't forget!

- Times Table Rock Stars and Spelling – Don't forget to continue with weekly practice of times tables and spelling.
- Regular Reading— Please ensure reads are recorded in their Reading Records, we're aiming for three reads a week.
- Creative Homework Tasks—Please bring these in as soon as they have been completed, as it is amazing to see the children's hard work and be able to display these in school.

RE—'How do ancient stories influence modern celebrations?'

RE, Science and French— Taught in PPA

Science

In Science this half term we will exploring rocks, soils and fossils. We'll be exploring interesting questions such as:
'How are rocks different?'
'How are soils different?'
'What is this fossil?'
AND
'Who was the palaeontologist Mary Anning?'
