

To the Esteemed Parents, Guardians and Carers,

Hear ye, hear ye!

By royal decree, your young Lords and Ladies are cordially invited to attend a most splendid Medieval Banquet, to be held on **Thursday 26th November 2026**, from the fifth hour until the sixth hour of the evening (5:00–6:00pm).

This joyous occasion shall take place after the school day and will provide our young guests with the opportunity to discover how life was lived within the grand walls of **Skipton Castle.**

Our noble guests shall be treated to a traditional medieval feast, followed by the learning of delightful medieval dances, fit for any royal court!

We encourage all children to dress in their finest ballgowns, royal robes and splendid attire, so that they may truly become Lords and Ladies of the realm.

The Royal Feast

Our banquet shall consist of:

⚜ Succulent chicken ⚜ Fresh bread ⚜ Vegetables
⚜ Cheese ⚜ Traditional gingerbread to finish

Should your young Lord or Lady have any dietary requirements, food allergies or special dietary needs, this will be addressed.

These foods were commonly enjoyed at medieval feasts and shall provide a taste of life in times gone by!

A Small Contribution to the Royal Treasury

A contribution of £3 per child is requested to secure their place at this most splendid occasion.

We very much hope your young Lords and Ladies will join us for an evening of feasting, dancing and merriment!

Please ensure that your young Lord or Lady is registered and the royal contribution of £3 has been paid by **Tuesday 17th November 2026**, so that their place at the banquet may be secured.

Yours faithfully,

The Lady of the Court,
Mrs Nixon
